Dear Skaggs Catholic Center Parents and Guardians,

We are truly blessed to have such a diverse, caring community at the Skaggs Catholic Center. Our community continually strives to maintain a sense of family and to do our best to take care of each other.

As you know, many of our families, businesses and schools struggle economically. With this in mind, we are asking, if possible, that those families who can, make a tax-deductible donation to support our programs and to assist our families in need. We call this our Guiding Angel Appeal.

The cost difference between the regular tuition and the Catholic tuition is \$1,384 at Saint John the Baptist Catholic Elementary Schools, \$1,389 at Saint John the Baptist Catholic Middle School, and \$2,110 at Juan Diego Catholic High School. We currently have families that voluntarily pay regular tuition even though they are eligible for Catholic tuition. The donated amount would make a significant impact toward meeting our budgetary needs, and funding our programs and student financial aid. If possible, please consider this very generous and considerate Guiding Angel gift.

Donations noted on this form will be added to your monthly payment and collected through FACTS over the 11-month payment cycle. For example a Catholic 6th grade student's tuition bill plus donation balance, would calculate as follows:

Tuition/fees:	\$6,344.00	11 payments of	\$576.75
Donation:	\$1,389.00	11 payments of	\$126.30
Total	\$7,783.00	Payment total	\$707.55

In January of 2018 and 2019 you will receive a statement detailing your respective calendar year tax-deductible charitable donation.

We demonstrate who we are through individual, family and community time, talents and treasures. If possible, please consider our request and make this generous gift to our Catholic school community ... your efforts are sincerely appreciated, and they do make a difference!

Thank you for considering our Guiding Angel Appeal and the help that it truly offers.

Yours in Christ,

 Dr. Galey Colosimo

 Mr. Patrick Reeder
